

IURC NA - ZARAGOZA SUSTAINABLE URBAN MOBILITY & TRANSPORT

Thematic Networking Event

10th – 11th November 2022

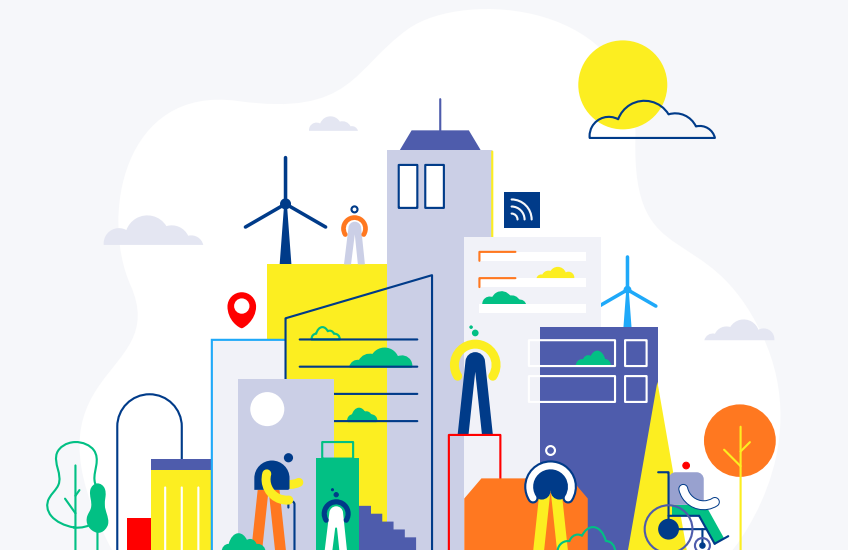

About IURC

The European Union's International Urban and Regional Cooperation (IURC) programme is the world's largest city-to-city cooperation programme and an international network of reference for urban innovation and sustainable urban development. IURC North America partners European cities with Canadian and USA cities to facilitate knowledge exchange through online tools and face-to-face support such as study visits, participation in thematic and networking events, and capacity building.
